**Creating Consumer's Confidence in Supply of Essential Goods**

1431. SHRI SANATAN BISI: Will the Minister of FOOD AND CONSUMER AFFAIRS be pleased to state;

(a) what steps are being taken to create consumer's confidence in the supply of essential goods at reasonable prices;

(b) whether Government are contemplating to constitute a panel for monitoring prices of essential good; and

(c) if so, what are the details in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF FOOD AND CONSUMER AFFAIRS (SHRI SATYAPAL SINGH YADAV): (a) The Government has accorded the highest priority to the control and stabilisation ot prices of essential commodities. Apart from certain long term measures to increase the production of essential goods, imports of items which are in short supply like pulses and onion have been placed under OGL at zero percent import duty, and duty on the import of edible oils has been reduced to 15 percent from 25 percent in order to augment the total availability of these items. Export of onion has been banned. Some of the essential commodities like rice, wheat, palmolein and kerosene are also supplied through the outlets of public distribution system at below market prices. Stringent actions are being taken against hoarders, black marketeers and other indulging in unfair trade practices under the Essential Commodities Act and Prevention of Blackmarketing and Maintenance of Supplies of Essential Commodities Act by the State/UT Governments.

The Government has also taken action to Supply onions at Delhi at a subsidised rate of Rs. 10 per kg. From 14.7.98 through public distribution Agencies. Similarly, subsidised Supply of essential Items are also being undertaken by some State Governments through the PDS and cooperative outlets.

(b) and (c) Government has decided to constitute a Special Cell under the Cabinet Secretariat to monitor and analyse prices data and trend of essential commodities. It would also service the Cabinet Committee on Prices which would take decisions on imports and exports of essential Commodities. The Cell will established mechanisms for obtaining crop price and production data from various centres in the country and share these informations suitably with the States.
